Introduction

Situated in the heart of Lancashire, Tetrad has been creating quality handcrafted sofas & chairs for almost 50 years.

The famous Harris Tweed cloth has been handwoven in the Outer Hebrides for many generations, the iconic Orb and Maltese Cross trademark being introduced in 1910. Its enduring appeal, favoured by Royals & designers alike, is now thanks to Tetrad available on a comprehensive range of upholstery.

Our furniture begins with a hand built traditional hardwood frame and fully coil sprung seat platform, each model is then skillfully upholstered by one of our time served craftsmen. The end result being a heritage piece that will become 'an heirloom of the future'.

Située au coeur du Lancashire, au Nord-Ouest de l'Angleterre à Preston, la société Tetrad, fondée il y a près de 50 ans, est renommée pour sa production artisanale de sièges de qualité.

Le célèbre textile Harris Tweed tissé mains dans les îles Hébrides extérieures depuis des générations est reconnu par son label introduit en 1910: un globe avec une croix de Malte avec les mots "Harris Tweed". Son attrait intemporel, favorisé par la Famille Royale et les designers, est désormais également disponible dans une collection de sièges grâce à Tetrad.

Nos sièges, en bois massif avec devanture suspendue, sont individuellement et habilement fabriqués de manière traditionnelle par nos tisseurs. Le produit final est un patrimoine qui sera passé de génération en génération.

Im Herzen von Lancashire produziert Tetrad in Handarbeit seit fast 50 Jahren qualitativ hochwertige Sofas und Sessel.

Der berühmte Harris Tweed Stoff wird seit Generationen in den äusseren Hebriden gewebt. 1910 wurde das ikonische Markenzeichen in Form von Kreis und Malteser Kreuz eingeführt. Sein andauernder Appeal, von Royals und Designern gleichermaßen favorisiert, ist nun dank Tetrad auf einer umfassenden Polstermöbelkollektion erhältlich.

Unsere Möbel haben traditionelle Massivholzrahmen sowie voll sprunggefederte Sitzflächen. Jedes Modell wird von fachkundigen und erfahrenen Polsterern bearbeitet, mit dem Resultat, dass Sie ein Sofa erwerben, welches durchaus ein zukünftiges Erbstück werden kann.

在位于兰开夏郡的核心地区泰雷生产出了非常高品质的手工沙发和座椅已经将近半个世纪了。

著名的布哈里斯和花呢一直在赫布里斯群岛的高民世代以手织机全手工编织。其标志性的“球和马耳他”十字商标于1910年被引入。它的持久魅力一直是皇室成员设计师的钟爱，现在泰雷将它引进了家具的制作上。

我们资深的老工匠们精心将传统硬木框架和完全独立弹簧做成的坐垫完美的结合。最终我们制作出一个可以成为传家世袭的一件精美家具。

General Information

All dimensions are in centimetres and are approximate (primarily due to the overhang of seat cushions which are soft and flexible in construction). Tetrad reserve the right to alter specifications in the interest of improved quality.

Every care has been taken to reproduce the colours as accurately as possible within the tolerances of the print process but to ensure you are certain of your choice we advise you request a sample from us via the website or your local stockist - www.tetrad.co.uk

Feather Scatter & Cushion fillings - After use your cushions may show signs of compression. For this reason it is recommended that the cushions are "plumped" on a regular basis in order to maintain loft and appearance. It is also recommended that seat cushions where applicable are turned and alternated on a regular basis in order to minimise wear and tear.

All Tetrad full grain leathers and the hand woven Harris Tweed fabrics will vary in colour and texture. Markings in the hide and slubs in the fabric may occur and we regard these as natural characteristics.
